Fateh Kadal
Srinagar, Jammu and Kashmir

Summary

I am a recent graduate of University of Kashmir's Computer Engineering program, currently living in Srinagar, J&K India.

I'm passionate for web development, proficient in various platforms, languages, developing databases, creating user-interfaces, writing code, creating dynamic websites, troubleshooting complex issues and implementing new features bases on user feedback. Experienced with the latest development tools and procedures. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team.
